❖**INCLEMENT WEATHER**❖

For your safety, we are required to enforce the rules implemented by the Health Department. In 2012 when there is inclement weather at the pool, and it is not too severe to wait it out, you will need to “clear the deck” and go behind the 4' fence near the main pool office. This will allow you to access to the tree deck, grill area & tables, the main locker rooms, and pool office. You will continue to be able to access and utilize volleyball, tennis, basketball, play structure & Tiki.

**IMPORTANT:** Please keep in mind to communicate with your children as to what your "**family plan**" is when inclement weather happens and to use common sense to seek shelter when weather becomes more severe. If weather becomes more threatening, these areas will be closed.

❖**NEW IN 2012**❖

- Pool will be heated.
- We will be converting the hot tub area into an inviting and relaxing lounge area with flat screen TVs and comfortable seating directly connected to the Tiki Bar.
